

Destination Rutherglen and Rutherglen Wine Centre Board
Treasurer's Position (Honorary)

These Boards run in tandem and together conduct the Visitor Information Centre, conduct a small business and community activities in the Rutherglen area. Destination Rutherglen is a member's organisation and the successful application will need to be an existing member or be prepared to join. The purposes and rules are available on our website as follows.

The Treasurer's position comes with executive membership of both Boards and whilst in some respects more demanding than other community organisations, our paid staff attend to data entry, production of statements and business operations. Assistance and oversight are also available from the Shire of Indigo.

This is a dynamic and interesting position and the successful applicant will have the opportunity to make a valuable contribution to Rutherglen prosperity. Academic qualifications are not essential but broad experience in financial management is an advantage.

Applications by 27 September please to alexandra@explorerutherglen.com.au
